THE FRIENDSHIP RIDE

The Ride is all about spending time with friends, and riding bikes. This ride is not about who gets there first, only that everyone gets there safely. Some will ride faster than others but please ride your own pace. Rest assured that I will have people placed within the pack to make sure that nobody falls behind and we all have a fun time enjoying these great mountain roads.

ITINERARY

The ride starts in Oakhurst, traveling through North Fork, Friant, Clovis, Tollhouse, Auberry and finally Bass Lake. The travel time is about three and a half hours and roughly 100 miles. That may not seem like much, but after you see what these incredible roads have to offer, I'm sure you'll be ready to rest your heels on the banks of Bass Lake after completing this journey.

No preregistration required. Meet at Starbucks in Oakhurst located on Highway 41 across from Chevron at 9:00am. Tires roll at 9:30am.

EVENT SHIRTS

A limited number of t-shirts will be available by preorder for \$10.00 each. Please email ASAP with your size.
