THE FRIENDSHIP RIDE

Come out and enjoy great mountain roads, see old friends and make new ones. Friendship Ride is all about the love of riding. Riders of all skill levels or bike type are welcome. This ride is not about who gets there first, only that everyone gets there safely. Some will ride faster than others, but everyone is encouraged to ride at their own pace. Rest assured that I will have people placed within the pack to make sure that nobody falls behind and we all have a fun time enjoying the great scenery and company.

ITINERARY

Starting in Oakhurst The Ride will travel through North Fork, Friant, Clovis, Tollhouse, Auberry, Bass Lake and finally to Coarsegold to our event sponsor, Motohead. Travel time is about three and a half hours and roughly 115 miles.

No pre-registration required. Meet at Starbucks in Oakhurst located on Highway 41 across from Chevron at 9:00am. Tires roll at 9:30am.

EVENT SHIRTS

A limited number of t-shirts will be available by preorder only for \$15.00 each. All orders with size must be submitted by July 15th to:
